Events conducted in SPA Mysuru

National Association of Students of Architecture

Highlights of SPA Mysore and Its Association with NASA India

ACTIVE NASA INDIA PARTICIPATION

SPA Mysore regularly participates in NASA India conventions, design competitions, workshops, and student exchange programs, providing students with national-level exposure and learning opportunities.

PROMOTES DESIGN EXCELLENCE

Students from SPA Mysore have earned recognition in various NASA competitions and trophies, showcasing their creativity, innovation, and architectural skills at zonal and national levels.

ENCOURAGES SUSTAINABLE ARCHITECTURE

SPA Mysore students have successfully completed sustainable design projects using recycled and waste materials for NASA competitions, demonstrating environmental responsibility and innovative thinking.

STRONG STUDENT LEADERSHIP CULTURE

Through NASA India activities, students develop leadership, teamwork, event management, and communication skills beyond classroom learning. NASA India itself is a student-led organisation that promotes collaboration and professional growth.

PLATFORM FOR NATIONAL NETWORKING

Participation in NASA India allows SPA Mysore students to interact with architecture students and professionals from hundreds of institutions across the country, helping build valuable professional networks.

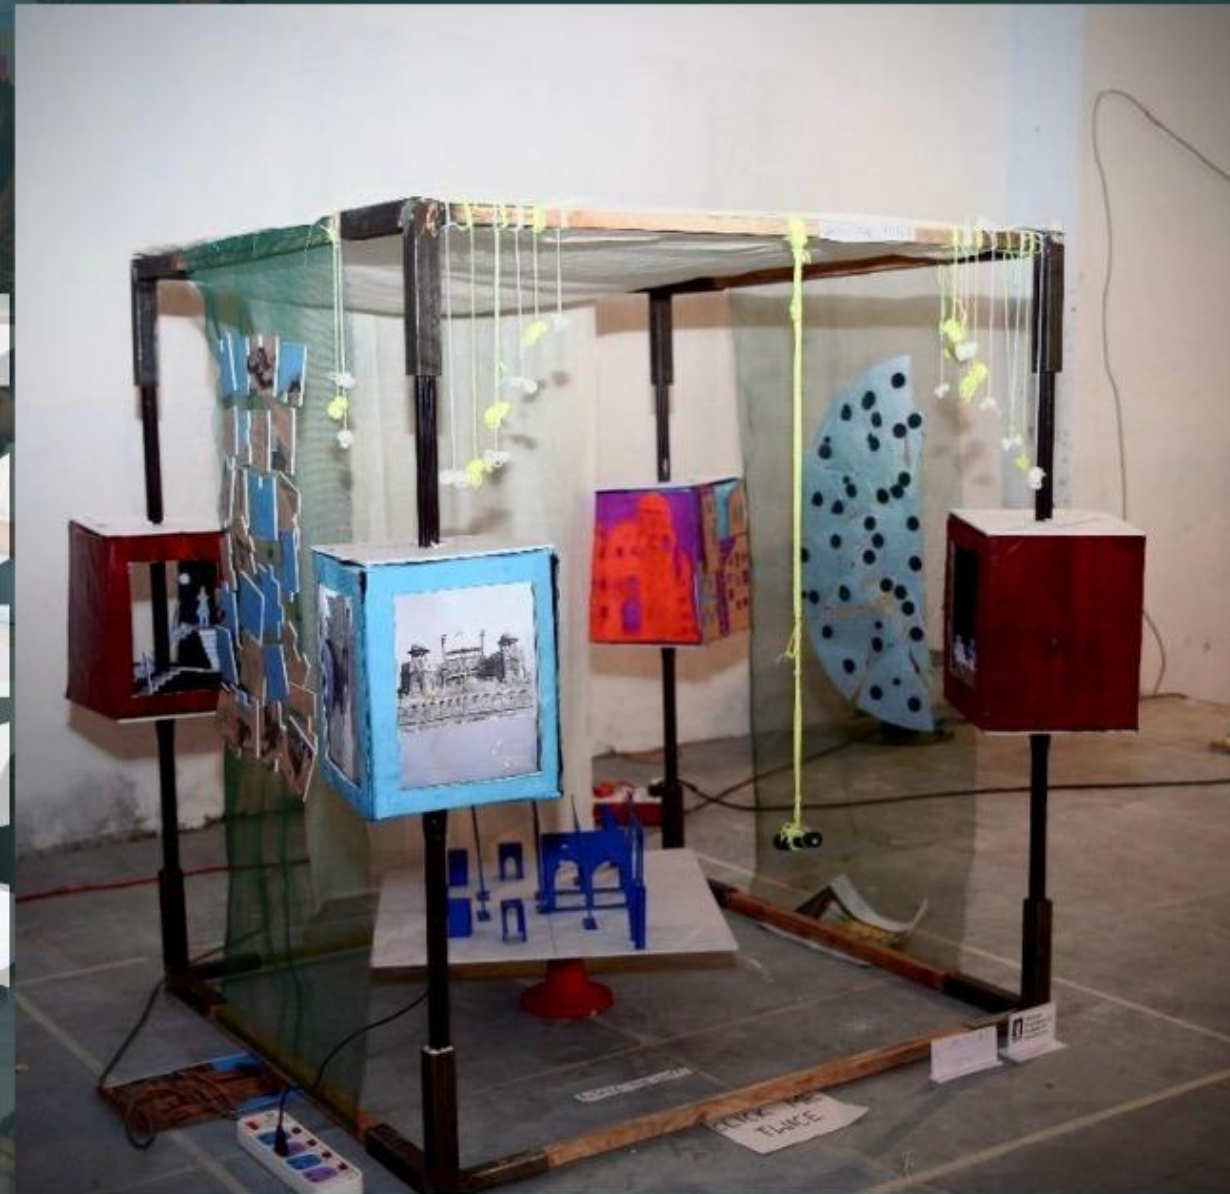

ACADEMIC EXCELLENCE IN ARCHITECTURE AND PLANNING

Established under the University of Mysore, SPA Mysore offers quality education in architecture and planning with a focus on innovation, research, sustainability, and socially responsible design.
